

See steps below to install the InsureShield Checkout Cart Feature

- 1. Navigate to your **Online Store** and click on your **Themes** page
- 2. Click *Add* on your desired theme to add it to the Theme library
- 3. On your chosen theme, click the *Customize* button

- 4. Click the **Catalog** page at the top of your store
- 5. Select a product and **Add** it to your cart
- 6. Click on the cart icon to view your cart page

Checkout Cart App Block Instructions, continued

- Click Add block within your Subtotal section. Search InsureShield within the Apps section and select your preferred version
- 8. Move the app block above the Subtotal price
- 9. Click Save and then Publish
- 10. Navigate to the *Apps Page* & click the *InsureShield*[®] *App*
- 11. On the yellow modal in the middle of your My Account Page, click the **checkbox** to confirm that you added the InsureShield protection App Block & click **Submit**
 - After you have pressed Submit, you will receive a message stating whether the code has been properly installed.
- 12. Navigate back to the **Themes page** of your Shopify store and click **View your store**
- 13. Add an item to your cart and view your checkout cart. You will see the InsureShield consumer display above your checkout button.

Document Key

Font in **this color** is the important application that you need to add to your check-out cart.
