Upload supporting documents and photos for any damage claim(s).

3. Add the Claim Payment Recipient

Please tell us who should receive payment for the claim.

4. Submit your claim

WHAT DOCUMENTS ARE NEEDED TO SUPPORT MY CLAIM?

Claims vary but typically require proof of value and loss. Photos of damage, packaging, invoices, or bills of sale serve as valuable proof. Additional documents may be requested, such as freight invoices, repair estimates, or police reports for lost/stolen packages. Your claims adjuster will guide you further.

CAN I SAVE MY PROGRESS AND COME BACK LATER TO FINISH?

No, claims must be started and submitted in one go or you will lose your progress. Have necessary documentation handy. Insufficient or problematic documents may lead to delays.
